

Order Form for PartMaker Evaluation Kit

Purchasing a PartMaker Evaluation Kit for \$19.95 gives you the following:

- A CD-ROM with Demonstration Versions of PartMaker Mill, Turn, Turn-Mill and Swiss-Turning software
- An "Over-the-Phone" tutorial of PartMaker software
- An \$80.00 rebate upon purchase of the software within 30 days of the demonstration

Please return this form by **fax to IMCS at (215) 653-0105** as soon as possible to confirm your appointment and method of payment.

Note: The PartMaker software on the CD-ROM will be activated with an access code provided by an IMCS representative at the time of the "over the phone" demonstration. Payment for the Demonstration Kit must be made before the demo is given.
